New Class Offerings

For a complete list of our class offerings visit us online at <https://confederationcentre.com/arts-education/dance-umbrella/>

Acro

We are excited to announce the expansion of our Acro dance offerings. Acro offers strength and flexibility training while students learn acrobatic tricks, enhancing their abilities in their technique classes. Junior Acro is for ages 9-12, and Senior Acro for ages 13+. Please note that students must take a technique class in either jazz, contemporary, or ballet to be eligible for Acro dance.

Inclusive Dance

Inclusive Dance is a safe and welcoming space for dancers who may need additional accommodations due to cognitive, physical, or affective disabilities. This program allows students to explore dance and movement patterns at their own pace, while allowing their creativity to soar under the guidance of our trained educators and educational assistants. The Junior level is for ages 9-12 and the Senior level is for ages 13+. Inspired by the Boston Ballet's Adaptive Dance Program, Inclusive Dance is breaking down barriers to make dance accessible to students with disabilities.

My Parent & Me

Do you have a toddler who can't stop dancing, but you're not sure if they're ready to attend a class by themselves? My Parent & Me welcomes children ages 18 months to 3 years and their parents to come explore dance together through songs, games, and stories. This is a great precursor to our Creative Movement program.

Contact Modern

Contact Modern is a form of improvised dance that explores the body's relationship to itself and others through spontaneous communication, weight-sharing, touch, and movement awareness. Participants will learn techniques and movements with a partner that will give them the skills to participate in Contact Modern Jams and will enhance their artistry, intuition, and observation. Contact Modern is open to dancers of all levels, due to the amount of physical contact required in contact dance this class is recommended for participants ages 18+ or students in Senior or ITP levels who have parent/guardian permission. Participants are encouraged to register with a partner or to be prepared to partner with a peer from the class.

Please view the following Ted Talk for an example of contact improv: <https://www.youtube.com/watch?v=TbjUPAaqkPQ>

Workshop Series

The Workshop Series offers training and education in supplementary dance topics ranging from nutrition, post-secondary advisement in the arts, choreography and more. A schedule will be released at the beginning of each term, the workshop series is a drop-in class at a cost of \$5.00 for dance umbrella students and \$10.00 for the island community.

Adult Classes

Due to the increasing demand for our adult dance classes, we are now offering adult classes in ballet, jazz, contemporary, Dance for Health, and contact modern. Some previous movement experience in dance, tai-chi, yoga, gymnastics or other movement-based activities is an asset for ballet, jazz, and contemporary, while Dance for Health and contact modern are appropriate for all levels. Interested in taking a class, but aren't sure if your movement experience is sufficient? Contact us at dance@confederationcentre.com and we'll be happy to recommend you to the appropriate class!
