As an employer, Confederation Centre of the Arts brings together people of diverse skill sets and qualifications in equally diverse operations.

The *Story of Confederation* offers visitors the opportunity to experience Province House Historic Site and the 1864 Charlottetown Conference while Province House is closed for conservation work. Set in a replica of the original Confederation Chamber, the program's focus is on promoting and sharing Canadian and Island history through professional, informative interactions with the public. The program includes a historic film, a general overview of the replica and the Charlottetown Conference, and occasional appearances from the Confederation Players.

Guides are an integral part of the *Story of Confederation* program, reporting to the Director of Arts Education and Heritage. They are responsible for welcoming visitors and providing first-person interpretation of the artifacts and themes of Confederation Chamber, and general Canadian and Island history. Guides accommodate tours and large groups, provide headsets for experiencing the historic film, and answer general visitor queries from tourists.

- completed a high school diploma or equivalent education;
- an interest in Canadian and Island history and culture; and
